

Synopsis

The Civilization Rights Summit 2026 is a global forum of leaders, innovators, and citizens advancing Civilization Rights, Civilizology, and Civilization Resilience. Hosted by the Civilization Rights Institute (CRI) with worldwide partners, it champions a new paradigm where every civilization is valued, protected, and empowered. For individuals and organizations alike, the Summit offers a rare opportunity to connect, collaborate, and co-create solutions—turning heritage, culture, and knowledge into pathways for innovation, investment, and sustainable global impact.

WHY ATTEND CR SUMMIT 2026

BE PART OF HISTORY: Join the first global forum defining Civilization Rights and shaping how heritage, innovation, and ethics guide our shared future.

CONNECT WITH GLOBAL LEADERS: Engage with visionaries, scientists, policymakers, and investors driving civilization-based sustainability and cultural innovation.

SHOWCASE YOUR IMPACT: For sponsors and partners, the Summit offers a world stage to highlight your commitment to culture, equity, and responsible innovation.

EXPERIENCE THE GREAT PYRAMID CHALLENGE: Take part in a unique initiative that bridges ancient knowledge and modern science, sparking creativity and collaboration.

GOALS

DEFINE AND ADVANCE CIVILIZATION RIGHTS

Launch a global framework that advances the meaning of Civilization Rights—connecting heritage, innovation, and sustainable development.

BRIDGE CIVILIZATIONS AND INNOVATION

Use the Great Pyramid Challenge as a catalyst to unite thinkers, creators, and institutions in shaping new models for learning, technology, and resilience.

MOBILIZE GLOBAL ACTION AND PARTNERSHIP

Inspire a worldwide movement for partnership and action to protect, invest in, and strengthen civilizations everywhere.

CR 2026'S HONORARY PRESIDENT

DR. ROSALÍA ARTEAGA

Dr. Rosalía Arteaga is the first woman to serve as President of Ecuador and a distinguished global leader in education, environmental advocacy, and social development. She is an accomplished author and the recipient of numerous international awards for her lifelong contributions.
